Weight limit: LR models support 500 lbs in FLOAT and ALTERNATING, 350 lbs in ROTATION.

Warranty: 2 years, (all components)

Mattress Weight: Approx. 22 lbs.

UL listed: Yes

PressureGuard EASY AIR® LR

The all-in-one Easy Air LR model puts caregiver just a button-push away from a powerful, additional treatment modality, "Lateral Rotation" (LR). The unique PressureGuard approach to LR has been documented to help wounds close more than three times faster than on other commonly provided air therapy surfaces¹. Beyond pure pressure management, Lateral Rotation gives caregivers a versatile tool that is indicated for a wide variety of user needs.
